

FOR ALL SEASONS

INSULATED WATER TUB

Give your animals access to fresh drinking water.

50 LITRES

OPTIONAL LID
Keeps water ice-free for longer and protects against dirt when not in use.

TOUGH & DURABLE
Made from robust, impact-resistant plastic for demanding conditions.

PRACTICAL HANDLES
Make the tub easier to move and handle.

INSULATED DESIGN
Insulation between the walls slows changes in water temperature.

10-LITRE MARKINGS
Large capacity with clear water level markings.

NO POWER REQUIRED
Place anywhere in the field or stable without a power supply.

KEY BENEFITS

- Less work – insulation delays freezing and can reduce the need to break ice.
- Suitable for outdoor use or unheated buildings – provides water where animals are kept.
- A practical alternative to electrically heated tubs – with no running electricity costs.
- The light grey interior makes water levels easier to read and dirt easier to spot when cleaning.

SUMMER
Keeps water cool for longer.

WINTER
Delays freezing.

Please note: How long water stays ice-free depends on weather conditions, wind, water volume and how often the animals drink.
